# Timeless Design Stands Out in the Bath with New Moen® Hamden™ Bathroom Collection at Lowe's

SOPHISTICATED COMPLETE SUITE BLENDS STYLE AND FUNCTION TO PERFECTLY PERSONALIZE THE SPACE

*North Olmsted, Ohio...* Homeowners looking for a beautifully curated bathroom collection that artfully blends both form and function, need look no further than the new Hamden™ bathroom suite from Moen.

“Consumers desire accessible style with superior features when it comes to selecting fixtures for their bathroom,” said Maribeth Kwasniewski, director of retail marketing, Moen. “Not only does the Hamden collection evoke a timeless elegance in its faucets, but its matching tub/shower and easy-to-install accessories

ADA compliant

### AVAILABILITY

Lowe's and Lowes.com

make it simple for homeowners to achieve a fully-coordinated look in their space.”

Hamden accessories perfectly match the faucets and include a pivoting paper holder, towel ring, double robe hook, and 18- and 24-inch towel bars. Moen’s innovative Press & Mark™ technology, included on every Hamden accessory, means fast and accurate installation for homeowners. This thoughtfully designed installation innovation features an integrated ink stamp that marks exactly where to drill – eliminating the need for a difficult-to-use paper template. Once the bracket is secured to the wall, a new design allows the accessory to snap right onto it, eliminating the need to even touch the set screw.

This classic collection can be personalized to match any bathroom design with a two-handle centerset, two-handle widespread, or a single-handle faucet that includes a matching deckplate for one- or three-hole installations. Hamden faucets also come equipped with an easy-to-install, push-down drain – simply press to seal and release.

Hamden also features a corresponding tub/shower with a luxurious 6-inch diameter rainshower. It can be installed as a tub/shower, or shower-only with the included valve port cap.

Not only is installing Hamden easy, shopping for the suite is simple, too. Homeowners can find Hamden in store or online at Lowe’s starting in June 2017. The full collection will be featured together in one location in the store and on the website, putting a bathroom refresh right at the shopper’s fingertips. Consumers can select the faucet style that suits their space, based on their

preferences and sink configuration, then complete the look with the perfectly matching tub/shower and accessories.

## THE COLLECTION FEATURES NOTABLE MOEN® INNOVATIONS, INCLUDING:

### **Spot Resist™ Finish**

Moen's exclusive Spot Resist™ finish resists fingerprints and water spots to maintain the brilliance of the fixture.

### **Press & Mark™ Bath Hardware Innovation**

Designed for easy installation, accessories with Press & Mark™ include a washable ink stamp to show users exactly where to drill when installing the hardware – eliminating the need for a traditional paper template. Two-post accessories even include a self-adhesive level, ensuring a proper and accurate installation. Simply choose the location for the product, press and mark the wall, then drill and mount the accessory. An innovative bracket design securely snaps the product into place.

### **1255® Duralast® Cartridge**

Single-handle lavatory faucets feature the Moen 1255® Duralast® cartridge, a state-of-the-art ceramic-disc cartridge that provides a consistently smooth handle feel and the highest levels of quality and durability for the life of the faucet.

### **Posi-Temp® Valve**

Moen pressure-balancing shower valves adjust automatically to changes in water line pressure – ensuring constant and comfortable water temperatures. Despite demands elsewhere in the home, the water temperature is designed to remain within  $\pm 3^{\circ}\text{F}$  of the set temperature. For added safety, Moen's temperature limit stops can be set to control maximum hot water temperature.

All products feature Moen's Limited Lifetime Warranty\*\* to ensure superior quality.
