Certified to meet EPA WaterSense® Criteria

elegantly sculpted bathroom faucet and coordinating accessories,” said Maribeth Kwasniewski, director of retail marketing, Moen. “The striking aesthetics of these two new suites add serious style to the bathroom.”

Genta Bath Suite

Giving your bath an instant style update, the Genta faucet’s streamlined design delivers a contemporary feel that’s elegant *and* practical. A clear, twisting ribbon water flow provides a beautiful presentation, while the high-arc spout ensures plenty of space for washing hands. The faucet lever adjusts easily for precise flow and temperature control.

The contemporary styled bath collection also includes a tub/shower and shower-only options and trim. Coordinating accessories from the Moen Hensley™ collection are available in Chrome to complete the room, including a double robe hook, pivoting paper holder, hand towel bar and full towel bars in 18- and 24-inch lengths.

Idora Bath Collection

The Idora faucet’s transitional style and uniquely sculpted handles provide a stunning centerpiece for the bathroom sink. Coordinating tub/shower fixtures provide cohesive design throughout the space.

THE NEW FAUCETS ALSO OFFER SEVERAL MOEN® INNOVATIONS:

Spot Resist™ Finish

Available on the Idora bathroom faucet, Moen’s exclusive Spot Resist™ finish resists fingerprints and water spots to maintain the brilliance of the fixture.

1255® Duralast® Cartridge

The Genta bathroom faucets feature the Moen 1255® Duralast® cartridge, a state-of-the-art ceramic-disc cartridge that provides a consistently smooth handle feel and the highest levels of quality and durability for the life of the faucet.

Idora™ Bathroom Faucet

Posi-Temp® Valve

Moen pressure-balancing valves adjust automatically to changes in water line pressure – ensuring constant and comfortable water temperatures. Despite demands elsewhere in the home, the water temperature is designed to remain within $\pm 3^{\circ}\text{F}$ of the set temperature. For added safety, Moen’s temperature limit stops can be set to control maximum hot water temperature.

Each of the new products feature Moen’s limited lifetime warranty** to ensure superior quality.

For more information about the new Genta and Idora bath faucets, visit moen.com or call 1-800-BUY-MOEN (1-800-289-6636).
