Make Your Sink the Focal Point of the Kitchen with New Moen® Faucets at The Home Depot

NEW FIXTURES OFFER UNSURPASSED PERFORMANCE AND STYLE

Noell™ Kitchen Faucet

North Olmsted, Ohio... Whether preparing a meal, gathering for family game night at the table, or sneaking a midnight snack, homeowners spend a lot of time in the kitchen. Give the go-to room of the house a design boost with a statement piece at the sink. Available exclusively at The Home Depot, Moen introduces the new Noell™ and Brecklyn™ faucets and has expanded its popular Kaden™ line. The faucets offer improved features and unique designs that bring a “wow” factor to any kitchen.

- Kaden: Mediterranean Bronze - \$208; Spot Resist Stainless - \$178

“A beautiful kitchen is at the top of every homeowner’s wish list,” said Maribeth Kwasniewski, director of retail marketing, Moen. “But, an outdated faucet can quickly turn a dream space into a nightmare. Our new fixtures offer elegant, stylish choices to update the home, while providing useful, intuitive elements to make everyday tasks easier.”

Noell Kitchen Faucet

With its refined design and traditional detailing, Moen’s new Noell faucet brings serious sophistication to the sink. The easy-to-use, two-function pulldown spray wand provides superior at-your-fingertips water delivery. The faucet is available as a one-, two-, three- or four-hole installation.

Brecklyn Kitchen Faucet

With soft, flowing lines and a high-arc spout, the new Brecklyn faucet becomes the kitchen’s striking focal point. The lever handles make adjusting the water temperature and flow simple, while the side spray ensures mess-free, convenient cleaning at the sink.

Brecklyn™ Kitchen Faucet

Kaden Kitchen Faucet

Now available in a Mediterranean Bronze finish, the transitionally styled Kaden faucet features smooth, flowing lines and a graceful, high-arc spout. The pulldown spray wand has three functions – including powerful spray and rinse modes. Kaden is offered as a single-hole mount or with an optional deck plate for three-hole installations.

Kaden™ Kitchen Faucet

THE NEW FAUCETS ALSO OFFER SEVERAL MOEN® INNOVATIONS:

Power Clean™ Spray Technology

Available on Kaden and Noell, Power Clean™ technology provides 50 percent more spray power versus most Moen pulldown and pullout faucets without the Power Clean technology, while containing splashing and minimizing mess. Now, users can clean dishes faster while

reducing the amount of residual water in and around the sink. Greater force means faster clean-up with less water used.

Spot Resist™ Finish

All three faucets are available in Moen’s exclusive Spot Resist™ finish, which resists fingerprints and water spots to maintain the brilliance of the fixture.

Reflex® System

Pullout and pulldown kitchen faucets with the Reflex® system offer a self-retracting spray wand designed to put itself away, while also providing smooth operation, easy maneuverability and secure docking. The Reflex system is available on the Kaden and Noell pulldown kitchen faucets.

Duralock® Quick-Connect System

The intuitive Duralock® Quick-Connect System uses a proprietary, push-button connector that makes installing faucets quick, secure and hassle-free – no tools required. A telltale “click” audibly signals a secure connection. The Duralock Quick-Connect System is available on the Brecklyn and Kaden kitchen faucets.

Each of the new products feature Moen’s limited lifetime warranty** to ensure superior quality.
