*North Olmsted, Ohio...* Between making dinner, putting away groceries and washing piles of dirty dishes, the kitchen can get pretty hectic. But, a well-designed kitchen faucet can help minimize the stress and mess. Available exclusively at Lowe's, the new Moen® Edwyn™ and Lizzy™ faucets offer beautiful designs with useful features, perfect for keeping the kitchen clean and operational.

"The right faucet can transform a kitchen," said Maribeth Kwasniewski, director of retail marketing, Moen. "These two new faucet options provide the style and functionality Lowe's shoppers are looking to give their spaces... without breaking the bank."

### **Edwyn Kitchen Faucet**

The transitional Edwyn pulldown faucet offers sleek, versatile sophistication at a great value. Its two-function spray wand, with rinse and spray modes, makes clean-up simple. A coordinating soap dispenser offers convenience. Edwyn can be installed as a single-hole mount or with an optional deck plate for two-, three- or four-hole installations.

### **Lizzy Kitchen Faucet**

The transitionally styled Lizzy pulldown faucet stands out in any kitchen. Its high-arc spout ensures ease of use when washing dishes or filling large containers, while the two-function spray wand provides users with flexibility during clean-up. Lizzy can be installed as a one-, two-, three- or four-hole mount installation and offers a matching soap dispenser for a fully coordinated look in the kitchen.

### **BOTH NEW FAUCETS ALSO FEATURE SEVERAL MOEN INNOVATIONS:**

#### **Power Clean™ Spray Technology**

Power Clean™ technology provides 50 percent more spray power versus most Moen pulldown and pullout faucets without the Power Clean technology, while containing splashing and minimizing mess. Now, users can clean dishes faster while reducing the amount of residual water in and around the sink. Greater force means faster clean-up with less water used.

#### **Spot Resist™ Finish**

Both faucets are available in Moen's exclusive Spot Resist™ finish, which resists fingerprints and water spots to maintain the brilliance of the fixture.

#### **Reflex® System**

Pullout and pulldown kitchen faucets with the Reflex® system offer a self-retracting spray wand designed to put itself away, while also providing smooth operation, easy maneuverability and secure docking.

Each of the new products feature Moen's limited lifetime warranty\*\* to ensure superior quality.
