Moen Extends Power Clean™ to Additional Kitchen Faucets

PIONEERING TECHNOLOGY MAKES CLEAN-UP FAST AND EFFICIENT

Key Facts

PLATFORMS

Available on many Moen Retail and Wholesale kitchen faucets

North Olmsted, Ohio... Sticky, caked-on messes are all too common in the kitchen sink. Rinsing dishes, pots or pans with a lackluster spray that may still need extra scrubbing to get dishes clean only causes frustration. And if the spray *does* have force behind it, water splash back around the sink area can make a big mess.

Kinzel™ Pullout Kitchen Faucet with Power Clean™ technology

Delivering on its commitment to fulfill unmet consumer needs, Moen is expanding its popular Power Clean™ technology to even more kitchen faucets, providing more force to get tough jobs done.

Power Clean technology provides 50 percent more spray power versus most Moen pulldown and pullout faucets without the Power Clean technology, while containing splash and minimizing mess. Now, users can clean dishes faster and reduce the amount of residual water in and around the sink. Greater force means faster clean-up with less water used.

“Now, cleaning up messes at the kitchen sink is simplified,” said Tom Tylicki, senior product manager at Moen. “Power Clean delivers the spray force homeowners need without the worry of excessive splashing. Peanut butter, cake batter and other tough-to-rinse foods are no match for this powerful spray.”

KITCHEN FAUCETS THAT ARE NOW AVAILABLE WITH POWER CLEAN TECHNOLOGY INCLUDE:

- **Aberdeen™** Pulldown – Architectural details provide an elegant style and the extra height of the high-arc spout offers ample clearance to wash large pans.
- **Align®** Pulldown, Pulldown with MotionSense™, Bar/Prep and Pre-rinse Spring – A geometric handle emphasizes this collection’s simplicity and elegance of design. The slim, tubular spray head creates a streamlined appearance.
- **Arbor®** Pullout, Pulldown, Pulldown with MotionSense and Bar/Prep – The faucet handle’s slight flare and the spout’s curve create a transitional look that works with a variety of decorating styles.
- **Brantford®** Pulldown, Pulldown with MotionSense, Pullout and Bar/Prep – The faucets add a finishing touch to traditionally styled spaces.
- **Essie™** Pulldown – Offers graceful curves and elegance, as well as a single-handle lever to easily adjust water temperature and flow.
- **Integra®** Pullout – Giving pullout utility to any sink, this faucet features simple styling that complements an array of décor choices.
- **Kaden™** Pulldown – Now available in a Mediterranean Bronze finish, the transitionally styled faucet features smooth, flowing lines and has two-functions – powerful spray and rinse modes.
- **Kinzel™** Pullout – The faucet’s simple, refined lines create a stylish look for any home. Its lower profile spout offers just the right height.
- **Notch®** Pulldown and Bar/Prep –The handle’s 45-degree slant makes a unique statement with versatile, transitional style.
- **STō®** Pulldown, Pulldown with MotionSense and Bar/Prep – The collection’s slim, sleek design includes an integrated spray wand that nests neatly inside the spout.
- **Woodmere®** Pulldown and Bar/Prep – Distinctive details, like a flowing high-arc spout and gently contoured handle, add charm without the fuss.

NEW STYLES FOR 2017

- **Edwyn™** Pulldown – The sleek, transitional styling adds elegance to the sink. Its two-function pulldown spray wand, with rinse and spray modes, makes clean-up simple.
- **Lizzy™** Pulldown – The transitional faucet features a high-arc spout for ease of use when washing dishes or filling large containers. A two-function spray wand provides users with flexibility during clean-up.
- **Method™** Pullout – The modern faucet’s seamless design brings mid-century modern style to today’s homes at an attractive price point.
- **Noell™** Pulldown – Simple, yet sophisticated, this traditional faucet is easy-to-use.

Power Clean faucets feature Moen’s limited lifetime warranty* to ensure superior quality.
